5/8" X 3/4" RESIDENTIAL WATER SERVICE APPLICATION

(where service has been previously established)

I, (WE), _____,

make application for water service to:

Physical Street Address:

Mailing Address:

Email bills? Y N

Date Service to begin: _____ Circle one: Owner Renter

Enclosed with this application is payment for:

\$75.00 Deposit-(refundable after one year of no payment delinquencies)

\$30.00 Account Establishment Fee (non-refundable. \$60.00 after hours.)

\$105.00 Total Enclosed (\$135.00 if after hours or weekends)

(By signing this I assume responsibility for the monthly payments. If the responsible party changes, I understand that I must contact ABRA to terminate service and the new party assuming responsibility for payment must contact ABRA to make application for service. Prices above for 5/8" X 3/4" residential meter only. **I also understand that if there exists a water main, a service line, or a water meter on my property, I must allow ABRA WATER CO open and uninhibited access to that area AT ALL TIMES.**)

Current water rates for typical residential meter: (not including taxes)

\$14.53 monthly minimum plus \$2.33 per 1,000 gallons for 0-3000 gallons,

\$3.94 per 1,000 gallons for 3,001-10,000 gallons, and

\$6.23 per 1,000 gallons for 10,001 gallons and up.

(Once service is established the minimum charge will be billed each month *whether water is used or not.*)
